

More than 30% of CVs or Resumes in Asia have discrepancies in several areas and hence the need for a [robust background check](#). Click to [read](#) on why background checking is important for all organizations to increase the “security” and “integrity” of your talents base.

Given that talents today have multi-country background, Avvanz has international capability to conduct [background checks](#). Avvanz has simplified the entire background checking process through Avvanz ScreenGlobal Platform whereby you can order a check in a minute (www.avvanz.com/screnglobal). This is a 1st of its kind in the industry.

Just for you, Avvanz jointly with MIHRM, is extending a 3% Discount on all your orders. To activate the promotion code (**DISCMIHRM3**), drop a note to consult@avvanz.com and avvanz@mihrm.com. We will hand hold you through the process of background screening.

To fully understand background screening, you are welcome to watch our [FREE Webinar](#).
