

TEA TALK: LEVERAGING DIGITAL TECHNOLOGY TO INCREASE YOUR R.O.I. IN LEARNING & DEVELOPMENT

Registration for 16th June 2017 session is now CLOSED as we have reached the maximum number of participants. Due to an overwhelming response, we are planning to conduct a re-run session in July/August 2017.

Please indicate your expression of interest to attend the July/August 2017 session by sending an email to p.premadevi@mihrm.com and quoting "RE-RUN JA2017"

What's In It For Me?

Here's an opportunity for you to learn about the differences between MOOCs, static eLearning platforms, collaborative learning platform, Learning Management Systems (LMS), Content Management Systems (CMS), mobile learning, and the learning styles of the different generations, in particular the Millennials!

Leveraging digital technology will not only give you a much higher R.O.I. than traditional training, but it can also transform your organisation for your employees, customers and markets of the future. How?

If you want to know the how, hurry now and **REGISTER*** for this talk.

*** Free for MIHRM members. For non-MIHRM members, a door fee of RM10 per pax will be applicable.**

Jointly Organised By:

Who Should Attend?

HR Managers, Training Managers, and Decision-makers for Investments in Learning and Development

About the Speaker

Thomas Ng, the founder of Genashtim Innovative Learning Pte Ltd, has had a stellar international corporate career for 25 years, out of which 15 years was as an expatriate in places like HK/China, Philippines, Europe, Australian/NZ. He was Asia Pacific's Managing Director for Rexam plc (UK), the Deputy Country Manager for ABB in China, and the Country Manager for ABB in the Philippines. As the Regional Chairman for the Young Presidents' Organisation in South East Asia 2010-2012, Thomas was an elected leader among the CEOs.

Don't miss the opportunity to get a CEO's perspective on this topic.
